

Peace Wreath

Print out the quote on regular paper. Cut out inside the grey lines and apply via glue or Mod Podge to your wood plaque of choice. Mod Podge over top for a nice finish. There is also a quote with no border for use with other sizes of plaques or with a plaque that has a curved edge. Carefully align the plaque over the quote and trace it for cutting.

Fits Standard Rectangle 3 x 5 Back Front Beveled Part is 2.25 x 4.25
