

# SMELL MY FEET GIFT BAGS

Label sfor front of bag and  
2 oz spray bottles. Print on  
normal paper.

POEM TAG TO ATTACH TO BAG WITH RIBBON ETC.

Print on cardstock if possible. Makes a sturdier tag.

Do your feet make people gag?  
Help is here within this bag!  
It holds the key that bids farewell  
To others asking "What's that smell???"

It's easy and it's time well spent  
And gives your feet a lovely scent.  
So use the items, don't delay.  
You needn't stink another day.

Lift up your head. Lengthen your stride.  
And pin your button on with pride.  
For when those near you catch a whiff,  
Everyone will want a sniff!

This is for the Darice brand 3.65" size button. Should fit any button that size. Print on normal paper.

Cut carefully right on the line.

## BUTTONS

This is for the Creatology brand and the Darcie brand  
2.25" size button. Should fit any button that size.  
Print on normal paper. Cut carefully right on the line.

## Kit Instructions

1. Lightly spray the insides of your shoes and your feet every morning.
2. Stick a sachet into each shoe in your closet.

## Ingredients & Info

The spray contains 1/2 apple cider vinegar and 1/2 rubbing alcohol. It is safe for your shoes or your body. These will kill bacteria which is the cause of odor.

The sachet contains peppermint tea with baking soda and a drop of tea tree oil added. Baking soda deodorizes. The peppermint gives a nice smell. Tea tree oil is an antibacterial, anti-fungal, and anti-viral among many other things.
