

Last Minute Gifts From Your Pantry

Even if it's Christmas Eve we bet you'll have more than a few of these items in your pantry that you can use for a last minute gift. Just print out the tags and attach them with some ribbon. There's also a couple labels that can be used for items not on our list below.

NOTE: Anything placed in a mason jar looks awesome with some ribbon and a tag. Keep that in mind as many of these items would fit wonderfully in a jar if you have one.

Have any of these items? We've got a tag for it!
