

Hold the Door Doorstop

Large size fits 4"x6" wood edge to edge. The smaller size can be centered on the wood if a border is desired. Print and carefully cut out the graphic. Allow the ink to dry well. Affix to the wood and Mod Podge over it with light strokes. Spraying it with a clear sealer before using the Mod Podge will also help prevent smearing.

Hold the Door Doorstop

This size fits a 4"x6" piece of wood. Print and carefully cut out the graphic. Allow the ink to dry well. Affix to the wood and Mod Podge over it with light strokes. Spraying it with a clear sealer before using the Mod Podge will also help prevent smearing.
