

Your Vibe Attracts Your Tribe

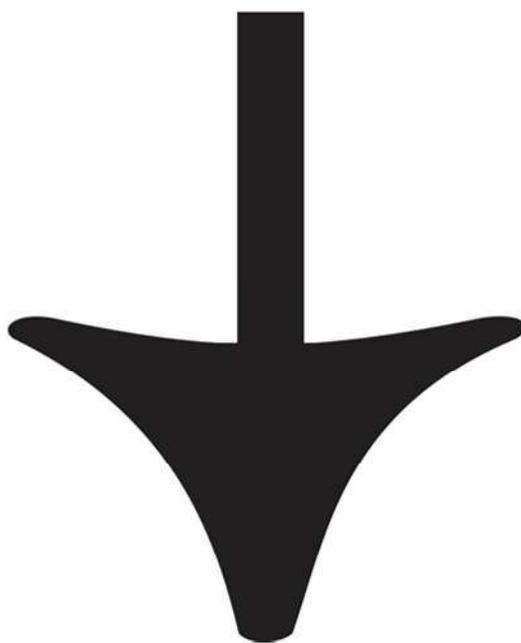

FOR A 12"x16" PLAQUE Cut the two sections in half and align them on your wood along with the middle sections before tracing.

Your Vibe Attracts Your Tribe

FOR A 12"x16" PLAQUE Cut the sections apart along the dotted lines and then align them on your wood plaque along with the middle sections before tracing.

Your Vibe Attracts Your Tribe

FOR A 12"x9" PLAQUE Center the entire graphic as it is on the wood for tracing. The arrow front and back are then added (next page).

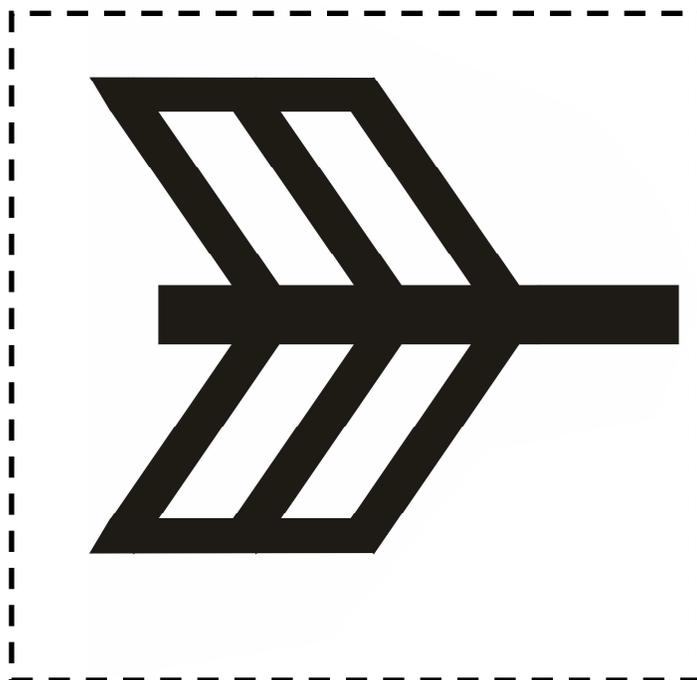

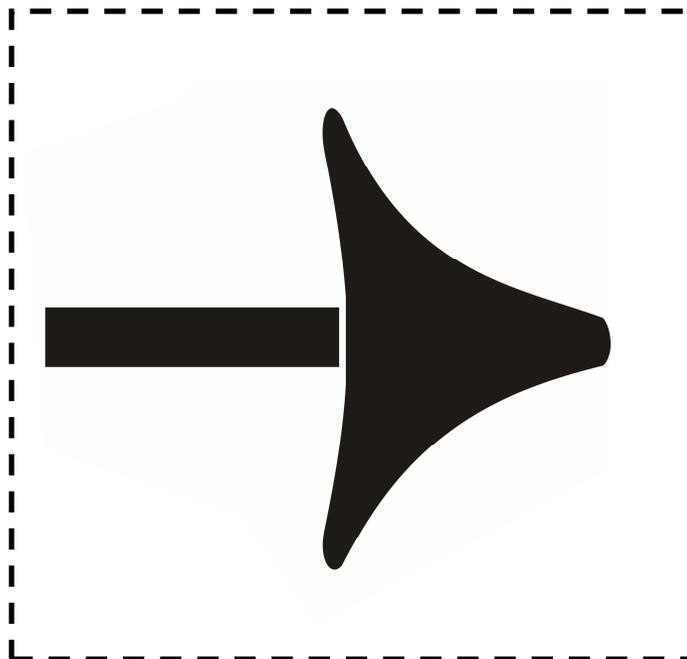

YOUR TRIBE

attracts

YOUR VIBE

Your Vibe Attracts Your Tribe

FOR A 12"x9" PLAQUE Add the front and back arrow parts after you've traced the other page onto your wood aligning them carefully on each side of "affects".

Your Vibe Attracts Your Tribe

FOR A 10"x10" PLAQUE Cut around the entire image and align it on your wood for tracing. FYI: You cannot use thumbtacks with this as you can on the larger sizes. You could however put several in each corner or around the entire edge.
