Seed Bombs

Instructions

NOTE: If the clay is a firmer variety you will need to add a few drops of water to help knead and shape it.

- Roll a ball of white air dry clay about 1 1/2" in diameter.
- Flatten it out. Add a scant 1 tsp. of potting soil.
- Knead the soil into the clay.
- Flatten it again. Add approximately 1/4 tsp. seeds.
- Knead the seeds into the clay.
- Shape into hearts and allow to dry.

Toss the seed bombs anywhere there is dirt.

Spread these little bombs of love,
Upon a world we're all part of.
Toss a few about your place,
Or anywhere that needs some grace.
The earth, it needs our love a lot.
Cause it's the only one we've got.
