POEM FOR MOVING IN THE SAME TOWN

Our family has to
Move away.
But not too far,
So don't dismay!

Please give a call
And drop by too,
(Cause that's the thing
That good friends do).

Just please make sure
No matter what,
Although we're gone
We're not forgot!

Our family has to
Move away.
But not too far,
So don't dismay!

Please give a call
And drop by too,
(Cause that's the thing
That good friends do).

Just please make sure
No matter what,
Although we're gone
We're not forgot!

Our family has to
Move away.
But not too far,
So don't dismay!

Please give a call
And drop by too,
(Cause that's the thing
That good friends do).

Just please make sure
No matter what,
Although we're gone
We're not forgot!

Our family has to
Move away.
But not too far,
So don't dismay!

Please give a call
And drop by too,
(Cause that's the thing
That good friends do).

Just please make sure
No matter what,
Although we're gone
We're not forgot!

Our family has to

But not too far,
So don't dismay!

POEM FOR MOVING OUT OF STATE

Our family has to
Move away.
And though it's far
Please don't dismay!

For though we'll miss you
Very much
We ask you, *please*,
To stay in touch.

Give a call, or email, too,
('Cause that's the thing
That good friends do).

Just please make sure
No matter what
Although we're gone,
We're not forgot!

Our family has to
