4 Freezer Quotation Inserts

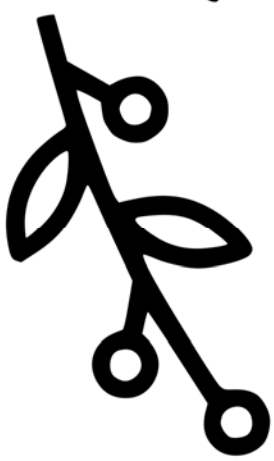

The quotes on the last 4 pages are meant to be printed on a normal 8.5" x11" sheet of cardstock paper with no cutting. They will fit as is in the frame corners under your freezer cover that is sized for this sheet. The images are centered on the page. Different printers can possibly print the images off center. Do a test print! You can of course trim them and use them anywhere you choose. SEE SAMPLES OF QUOTES BELOW
