

# CASUAL RESOLUTIONS

It's another New Year! A time when many of us reflect on where we've been and where we'd like to go, which usually includes setting some new goals. This little packet is to help you do just that. But we've got a new twist on the normal New Year's Resolutions concept. We're calling this a Casual Resolution Kit to take the pressure off a bit. We believe having goals should inspire and energize us and most importantly never make us feel guilty, as many of us tend to do, if we don't complete everything on our list. Our resolutions should be about having fun! Learning and growing in a way that is comfortable for you and that you enjoy. And if you don't get them all done, there's always next year!

## CREATE YOUR RESOLUTION IDEA LIST

Print out the calendar sheet and use it for writing down your list of casual resolutions. If you need some inspiration, [look over our list of 100 ideas](#).

There's also a bonus Objective Planner that you can print out to help you organize your separate goals.

**Remember...** If you end up only doing one thing on your list, celebrate! Be thrilled and proud of yourself with what you DO accomplish. And most of all, have fun!

*Don't wait for things to be perfect before  
you start enjoying your life!*
